

DCCC Job Posting: Internship Opportunities

Welcome to the gateway of hands-on experience and growth opportunities at the Danish Chamber of Commerce (DCCC)! Our **internship program** invites you to embark on a journey of professional development and personal growth, where you'll play a pivotal role in supporting and expanding the breadth of services we provide to our members, while honing your skills and expertise.

About DCCC

At DCCC, we are committed to strengthening ties between Danish businesses and China, advocating for our members' interests, and facilitating knowledge sharing and networking. We work in close cooperation with, and receive strong support from, a multitude of central and local government departments, including the State Council, MOFCOM, and CCPIT, and play a pivotal role in fostering collaboration within the Danish and Chinese business communities.

What You'll Do

Engage with DCCC Services

Gain in-depth exposure to the variety of services DCCC offers, including advocacy, member support, and knowledge sharing. You'll contribute to developing and refining these services to better serve our members.

Project Management

Participate in and manage diverse projects that enhance the Chamber's operations. Whether it's improving member engagement strategies or assisting in the publication of industry insights, you'll play a key role in delivering value to our community.

Member Relations

Build relationships with members by responding to inquiries, gathering feedback, and supporting initiatives that foster closer ties between Danish businesses and China.

Event Support

While not the primary focus, you will contribute to organizing select events, offering support in planning, coordination, and execution when needed.

Marketing and Communications

Assist with creating impactful communications, including newsletters, social media posts, and promotional materials that highlight DCCC activities and successes.

What We Offer

Join our dedicated Secretariat team and actively engage in all aspects of the Chamber's work across North, East, and South China. Based in the Beijing or Shanghai office, you will gain invaluable insights and experiences that will set you apart in the competitive job market.

Who We're Looking For

Whether you're a Student in Business Administration, International Trade, Communication, or a related field, we welcome individuals with diverse backgrounds and skill sets to apply. Proficiency in English and Chinese, at least one at a native level, is required.

Compensation and Benefits

We believe in recognizing the value of your contributions. As an intern with DCCC, you'll receive a monthly compensation of 2000 RMB, along with opportunities for professional development, access to exclusive events, and networking with industry leaders.
